

→ TRIMMER IDEAL 1080

LARGE FORMAT PROFESSIONAL TRIMMERS WITH STAND

resharpenable, high-quality blade set made of "Solingen steel" | standard equipment includes a sturdy stand and foot pedal clamping | collapsible extension table (on the right side) | side lay with measuring scale in mm/inches | backgauge and front gauge (the latter with integrated narrow strip cutting device for cutting of strips as small as one mm) | the front gauge is adjustable via a rotary knob with fine adjustment scale | standard paper sizes indicated on the table | stationary blade guard made from transparent, unbreakable Lexan® and blade locking device | solid cast aluminium blade mounting bracket and sturdy blade axle with double bearing for precise cuts | most solid metal construction

Cutting length 800 mm, obtuse angled (75°) blade¹ as standard equipment – pointed (25°) blade² available upon request,

Dimensions (H x W x D): 1215 x 670/890³ x 1080 mm, Weight: 55 kg

¹ cuts paper, cardboard and also heavier materials

² cuts paper and light cardboard

³ width extension table in working position

FOOT PEDAL CLAMPING

The most effective foot pedal clamping system of these models is integrated into the stand.

EXTENSION TABLE

Practical: A fold-away extension table supports the material to be cut, especially useful when trimming large formats.
